

Lull Telehandler Part

Lull Telehandler Parts - Telehandlers by Lull have been providing load placement accuracy ever since the year 1959. The Lull telehandler could really help make the task easier and faster, whether the work requires landing loads on scaffoldings, transferring loads or positioning heavy steel. These units are available along with the patented Stabil-Trak stability system to ensure operator confidence.

The Lull horizontal load placement system supplies eighty inches of boom travel for precision placement capabilities. A wide range of optional attachments is available for Lull telehandlers in order to help finish whichever job.
