Advance-Nilfisk Parts - Think about how tedious it would actually be to clean up your very own home right after throwing a big party, with no help from cleaning machines. Before, when carpets and upholstery had the dirt beat out of them manually; brushes, brooms and cleaning cloths were the leading cleaning materials of that time.

P.A. Fisker, the man who founded Nilfisk-Advance, was an electrical engineer who really loved working with electrical motors. Starting the company in the year 1906, he started to produce motors so as to drive fans, machine tools, coffee grinders and drills. Mr. Fisker's vision from the beginning was to own a global business advertising products worldwide.

The Nilfisk C1 was a tremendous breakthrough for the cleaning business. This ground breaking vacuum cleaner, invented by Mr. Fisker, weighed only 17.5 kilos and could be operated by one individual. This invention came in a time where other cleaning machines were huge and needed 4 or more operators, therefore, the Nilfisk C1 changed everything and evolved the way we clean forever. The mastermind behind these first cleaning equipment remains unparalleled. Cleaning equipment offer a brilliant solution to an existing problem; stuff get dirty and must be cleaned frequently, without too much effort.

Gradually but steadily, Nilfisk-Advance developed through the years. In the 1980s, this development really occurred when the company became a part of the NKT Group. Their new owners' determination and focus made Nilfisk-Advance take a huge leap ahead within the industry, aiming to be amongst the biggest global players in the market of professional cleaning machines. Nilfisk-Advance is currently located in all parts of the world due to gradually obtaining a lot of small businesses to be able to grow their product selection and presence in new markets. They are proud to present a range of cleaning solutions to meet each and every need.
