

Trek Parts

Trek Parts - TREK Cleaning Machines is a machine maker who is passionate about the cleaning business. The company's founders, Bob O'Hara, Jim Hartsock and Chris Knwolton, have over sixty years combined experience with successfully developing, marketing, manufacturing, designing and providing customer support. The company's cutting edge flair is a reflection of the entrepreneurial style of the founders. They really believe in delivering true value to their clients and are devoted to providing new design concepts and top quality in order to meet the diverse requirements of their clients.

TREK Cleaning Machines always provides fresh design ideas as shown in their product development. They enjoy offering products which energize both their partners and their dealers and offer production gains to their clients.

The TREK team of employees likes new challenges and new tasks. They are very proud to launch its breakthrough technology found in their Torsion scrubber line. This line was motivated by the comprehension of operators' requirements and skills along with their knowledge of cleaning applications, together with owners' strong desire to significantly lower expense through productivity gains.

When required, the employees within TREK and its many dealer members in both parts and in technical support would be accessible. One of their core values is their high service commitment in their customer service. Keeping their clients' cleaning machinery functioning and ready day by day is top priority. The company's top of the line technology delivers reliable equipment which ultimately lessens your cleaning expense. The product, the price and the service all work as one to make them an industry leader.
